Citigold Account Package Fees

The Citigold Account Package requires a minimum combined average monthly balance of \$200,000 in eligible linked deposit, retirement, and investment accounts. If you have a Citibank secured credit card, then Citibank will also include the balance in your Collateral Holding Account or your Certificate of Deposit that secures your Citibank credit card. These balances may be in accounts that are reported on other statements. If you do not maintain a minimum combined average monthly balance of \$200,000 in eligible linked deposit, retirement, and investment accounts, your Citigold Account Package will be converted to a Citi Priority Account Package, and your accounts will be subject to the terms and conditions then in effect for that package. Other banks and ATM service providers may charge you a fee when you conduct a Citibank deposit account transaction using their ATMs. You will receive reimbursement from Citibank for ATM fees charged by other banks in any statement period where you are eligible for Citigold.

IN CASE OF ERRORS

In Case of Errors or Questions about Your Electronic Fund Transfers:

If you think your statement or record is wrong, or if you need more information about a transfer on the statement or record, telephone us or write to us at the address shown on the first page of your statement as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared. You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and Federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual for details.

Give us the following information: (1) your name and account number, (2) the dollar amount of the suspected error, (3) describe the error or the transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information. We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

The following special procedures apply to errors or questions about international wire transfers or international Citibank Global Transfers to a recipient located in a foreign country on or after October 28, 2013:

Telephone us or write to us at the address shown in the Customer Service Information section on your statement as soon as possible. We may also ask you to select a choice of remedy (credit to your account in an amount necessary to resolve the error or alternatively, a resend of the transfer in an amount necessary to resolve the error for those cases where bank error is found). We will determine whether an error has occurred within 90 days after you contact us. If we determine that an error has occurred, we will promptly correct that error in accordance with the error resolution procedures under the Electronic Fund Transfer Act and Federal Regulation E or in accordance with the laws of the state where your account is located as may be applicable. See your Client Manual for details.

CHECKING PLUS DISCLOSURES

Checking Plus Line of Credit - Fixed Rate and Variable Rate

Average Daily Balance: The Average Daily Balance is computed by taking the beginning balance on your account each day, adding any new advances and adjustments as of the day they are made, and subtracting any payments as of the day received, credits as of the day issued, and any unpaid interest charges or other fees and charges. This gives you a daily balance. Add up all the daily balances for the statement period and divide the total by the number of days in the statement period. This gives you the Average Daily Balance. For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest Charge: The interest charge is computed by applying the Daily Periodic Rate to the "daily balance" of your account for each day in the statement period. To get the "daily balance" we take the beginning balance each day, add any new advances and adjustments, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. You may verify the amount of the interest charge by (1) multiplying each of the average daily balances by the number of days this rate was in effect, and then (2) multiplying each of the results by the applicable Daily Periodic Rate, and (3) adding these products together. (All of these numbers can be found in the table called "Interest Charge Calculation". Each average daily balance is disclosed as Balance Subject to Interest Rate. The daily periodic rate is the Annual Percentage Rate divided by 365, except in leap years when it will be divided by 366.) For Checking Plus (variable rate), the Daily Periodic Rate and the corresponding Annual Percentage Rate may vary.

Interest charges are assessed on loans as of the day we pay your check or otherwise make funds available to you from your account. The total interest charges paid during the year will be shown on your statement. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

Payment Instructions: You can make payments online via www.citibank.com, at any Citibank branch, Citicard Banking Center, or by mail. If paying by mail, you must include your account number and send your payment to: **Citibank, N.A., PO Box 78003, Phoenix, AZ 85062-8003**

Other Information: Checks drawn against a business account are not acceptable as payment for a personal loan obligation.

Request for Credit Balance Refunds: If your statement shows a credit balance it means your loan payments have exceeded the total amount you owe. You may request a full refund of the credit balance by writing to us at the address shown on the first page of your statement.

You are entitled to remedies for error resolution for an electronic funds transfer in accordance with the Electronic Funds Transfer Act and Federal Regulation E or in accordance with laws of the state where your account is located as may be applicable. See your Client Manual for details.
